

## Volunteer Opportunities

Wellspring Farm is lucky to have such enthusiastic and committed members. Over the years, our members have helped with everything from working in the fields to creating our website to delivering produce. There are many opportunities to be involved at Wellspring. We always appreciate a set of eager hands to lighten our load.

Opportunities include:

- **field work** such as transplanting, weeding, and harvesting
- taking **photos** of our fields and CSA pick ups
- **writing** for the CSA newsletter
- helping with special **events** like our Harvest Fest or member-initiated projects
- **skilled labor** such as electrical, carpentry and welding

We need you! Help strengthen your community farm! Contact Mimi at [mimi@wellspringcsa.com](mailto:mimi@wellspringcsa.com) directly to learn more.

## Working Member Opportunities

Join us for healthy, hard physical labor while gaining insight into the inner workings of our farm. Working member positions require a full season commitment. All positions receive a barter of one full CSA share. You must pick up your share at regular pick up times at either the farm or the Montpelier pick up site. Be prepared to work come rain, wind, sun and bugs (and they will *all* come!), and you are responsible for arranging a replacement if you cannot fulfill your commitment.

- **Montpelier Distribution Coordinator** – Responsible for driving, set-up of produce, and assisting members at our Montpelier distribution site. Use of your truck or large van for transporting produce preferred (you will be reimbursed). Thursdays, June 22-October 12, 2:45-7:00 PM.
- **Harvest Worker** – Join our field team to harvest, wash and pack produce for CSA shareholders. Some additional field work at times. Choose Mondays or Thursdays, June 1-October 15, 8 AM – 12 PM.
- **Field Worker** – Join our field team to be involved in all aspects of vegetable and flower production. Tasks include transplanting, weeding, harvesting and greenhouse work. Wednesdays, June 1-October 15, 8 AM – 12 PM.

If you are interested in a position, please contact Mimi at [mimi@wellspringcsa.com](mailto:mimi@wellspringcsa.com)
