MISSED & "I'M LATE!" PICK-UP OPTIONS

Going to miss a pick-up?

Each pick-up day we harvest only for the number of shareholders expected, and we certainly don't want any produce to go to waste! If you know in advance that you will miss a pick-up, please inform us **48 hours in advance** so that you can choose from the following four options (everyone likes options!):

- ◆ Have someone pick up your share for you or offer your share to a friend.
- ◆ Ask us to donate your share to our local food shelf. They will use it up!
- ◆ Receive a double share prior to or after your absence.
- ◆ For farm-pick-up members, switch your pick-up for that week to an alternate farm pick-up day (i.e. Monday or Thursday at the farm only)

All options **require 48 hours notice** so that we can plan our harvest accordingly. Thank you!

Going to be late?

Both pick-up sites close **promptly** at 6 PM (farmers get pooped!). If you will be late, we can bag your share if given sufficient notice. If you would like **to have your share bagged, please call by 5:30 PM** (426-3361, leave a message). Messages left after 5:30 PM unfortunately will not be received in time to bag shares. Bagged shares will have your name written on them to avoid confusion.

Farm-pick-up members' shares will be left in our cooler. Access the farm's cooler by entering the white door to the immediate left of the red barn's silo. Shares will be right inside the door. Please pick up your share promptly as it will be at sub-optimal temperatures.

Montpelier-pick-up members' shares will be left in the shade under the pick-up tent for the evening. Please pick up your share that same evening because other groups also use the site. We cannot guarantee shares will be there the next day (and surely the veggies will have sadly wilted).

If you miss a share or two you are still receiving a good value for your money. Your share is already discounted 10-15% off organic retail prices. Thank you for your cooperation with these farm policies.
