

## Wellspring Farm CSA Volunteer Opportunities

Wellspring Farm is lucky to have such enthusiastic and committed members. Over the years, our members have helped with everything from working in the fields to creating our website to delivering produce. There are many opportunities to be involved at Wellspring. We always appreciate a set of eager hands to lighten our load.

Opportunities include:

- **field work** such as transplanting, weeding, and harvesting
- taking **photos** of our fields and CSA pick ups
- **writing** for the CSA newsletter
- helping with special **events** like our Harvest Fest or member-initiated projects
- **skilled labor** such as electrical, carpentry and welding

We need you! Help strengthen your community farm! Contact Mimi at [mimi@wellspringcsa.com](mailto:mimi@wellspringcsa.com) to learn more.
